Wouldn't it be great if there was a unified system to combine all driver KPIs into a single score, and share this information with each driver in real time + have monthly driver rewards based on the criteria?

ELITE Score stands for:

- **Efficiency**
- **Loyalty**
- **Integrity**
- **Timeliness**
- **Excellence**

We combine the following weighted categories:

- Idelic Score (Safety)
- Home Time Score
- MPG
- Idling
- Route Compliance & Fueling
- On-Time Delivery
